**LightShow West Ranked in “Top 25 Fastest-growing Shows”
by *Trade Show News Network***

Atlanta - Exponation LLC is proud to announce that one of its leading trade shows, **LightShow West** (LSW), has been named one of the **2018 Top 25 Fastest-growing Shows in Net Square Footage** by *Trade Show News Network* (TSNN).

The award recognizes the 25 fastest-growing trade shows based on total net square feet of exhibit space between 2015 and 2017. While LSW was recognized in 2011 as one of *Expo Magazine's* Top 25 Fast Growth Shows and honored in *Trade Show Executive Magazine's* 2017 “**Fastest 50**,” this is the first TSNN Top 25 award for the commercial lighting event.

Lea Tranakos, LSW's Show Director said, “We are thrilled that LightShow West 2017 has earned this recognition. We could not have done it without the involvement of our Los Angeles lighting agencies, the hundreds of exhibitors who participated and the thousands of professionals who attended. We are grateful to the West Coast lighting community for its continual support of this event.”
